

Do You Get
FULL VALUE
Out of Your Telephone?

YOU do not unless you use it for out-of-town calls.

Your friends and relatives may be miles away in person but you can be face to face with them by telephone. Perhaps you write letters to them—fine, so far as it goes. But no letter can ever give you the pleasure of hearing their voices.

Your telephone will take you wherever you wish to go, quickly, conveniently and at small cost.

Bell lines reach everywhere in the United States and connect with Cuba, most of Canada, principal cities in Mexico and all telephones in the principal countries of Western Europe. Service is quick and accurate.
